

Wall Industries, Inc.

AC/DC Wall Mount Adapters

Since 1960, Wall Industries has been a leading provider of high-performance AC/DC adapters. We offer a wide range of wall mount supplies, with output power available from 1.8W to 65W. Models are available in standard wall mount as well as wall mount with interchangeable plugs.

Depending on the series, we have plugs for USA, EU, UK, Australia, China, Japan, Korea, and South Africa. We also have models available with standard USB inlet, USB Type C inlet, or cord attachments. Safety standards range from UL60950-1, EN60950-1, IEC60950-1, UL60065, UL60601-1, ES 60601-1, and UL 62368-1 depending on the model. We can also custom make a wall mount supply to meet your exact specifications.

If you have obsolete or discontinued products in the field, need a modified or custom power solution for a new system, or want design and development assistance, give us a call at (888) 597-9255. We can't wait to power your success.

AC/DC ADAPTER FEATURES

- 1.8 to 65 Watts
- Fixed Wall Mount or Wall Mount with Interchangeable Plugs
- Standard USB or USB Type C Inlet
- USA, EU, UK, Australia, China, Japan, Korea and South Africa Plugs Available
- Single Outputs
- Horizontal or Vertical Cases Available
- Series Available in Multiple Colors
- Level VI
- Various DC Connector Options Available

THE WALL DIFFERENCE

- Performance
- Reliability
- Delivery
- Value

WMSBW06 SERIES

- Input Voltage Range of 90~264VDC
- 2.5~6.03 Watts of Output Power
- US, EU, UK, AU, Japan, or China Plugs Available
- RoHS, REACH, and Level VI Compliant

WMGPSU15 SERIES

- Input Voltage Range of 100~240VDC
- 12~15 Watts of Output Power
- 5~48VDC Outputs
- UL60950-1, CSA C22.2, EN60950-1, and IEC60950-1 Safety Approvals

WMIEM1019 SERIES

- Input Voltage Range of 100~240VDC
- 15~24 Watts of Output Power
- US, EU, UK, SAA, China, or South African Plugs Available
- UL/cUL, UL60601, CB 60601, CE, and FCC Safety Approvals

WMIAS1062 SERIES

- Input Voltage Range of 100~240VDC
- 60~65 Watts of Output Power
- 5~20VDC Outputs
- US, EU, UK, SAA, China, and South Africa Plugs Available
- USB Type C
